CUSTOM GUN WORK TERMS

- We will work on any quality 1911-A1 style or XD pistol. We reserve the right to refuse to work on any pistol determined to be of inferior quality or made unserviceable by any work performed by any other person.
- We use your pistol as collateral while the custom work is being completed; so no deposit is required.
- Parts installed will match finish of pistol unless otherwise specified by customer.
- Please remove all items not necessary for the custom work; for example gun rugs, bushing wrenches, etc.
- Please **DO SEND** any magazine and/or specific ammunition that will be used in the pistol.
- Payment may be made by Visa, MasterCard, Discover, American Express, cashier's check, money order, or personal check. (Custom work or complete pistols, which are paid by personal check, may be held up to 21 days before shipment of the firearm.)
- All work order changes on complete pistols or upgrades will be assessed a charge of \$25 per change and could delay delivery of the handgun. All change requests, for custom work or complete custom pistols, must be submitted in writing and be signed and dated by the customer.
- Return shipping and handling is not included in Springfield Custom pricing. An additional charge of \$25 will be made to the order for return shipping by Federal Express overnight shipment of the firearm.
- We recommend shipping to Springfield Custom by an insured shipper, such as UPS or Fed Ex. Ship to: **Springfield Custom, 420 West Main St., Geneseo, IL 61254.** Your custom work will not be scheduled until we have received the firearm and a signed work order form.
- Due to Federal government regulations, customer's firearms must be return shipped to the address from which they have been received. (If you have a change of home address during the time your pistol is in the shop, Springfield Custom must receive a written request with the new address, serial number of the pistol, return authorization number, and customer's signature.)
- Estimated completion times are just estimates. Due to scheduling, work flow, and other events beyond our control, these estimates are subject to change. We will do our best to quote you a reasonable time frame for completion of your custom pistol or work.

I have read, understand, and agree to the Custom Gun Work Terms, in the Springfield Custom Shop Price List, and understand that any delivery estimated is strictly an approximate delivery time and can vary considerably due to factors out of our control. Having read and understood the above terms, I authorize Springfield Custom to perform the specified work on my handgun.
